COMMUNICATION

Commissioner for Patents
Washington, D.C. 20231

Dear Sir:

The above identified application was filed on August 3, 2001. Because of the separate physical locations of the named-inventors, two signed declarations were obtained, the first declaration having the signatures of Kenneth A. Epstein and Richard F. Griffith, and the second declaration having the signature of Alan J. Campbell.

Attached is a photocopy of the signed declarations as filed on August 3, 2001. Also enclosed is a photocopy of the application transmittal cover sheet and the stamped returned postcard; both indicate that two (2) signed declarations were filed.

Applicants received a Notice to File Missing Parts, dated September 4, 2001, a copy of which is attached. The Notice stated that the signature of Allan J. Cambell was missing. This inventor's name is actually "Alan J. Campbell", and his signature was provided, and the correct spelling of his name, on the second declaration, as discussed above.

Applicants contend that the Notice to File Missing Parts was sent by the Patent Office in error, and that the two declarations, as filed on August 3, 2001 and copies of which are included herewith, are acceptable to fulfill the requirement.

Respectfully Submitted,

Kenneth A. EPSTEIN et al.
